### !!! | THINGS TO KEEP IN MIND

1. Do not count on finding a child car seat in Cuba. We can not supply one. They are very scarce. If your child needs a car seat/booster, bring it with you.
2. We guarantee that all casas included are clean, safe, central, have A/C and private bathroom. We do not promise specific casas as things can change in Cuba.
3. No long distance transfers are by vintage American car. The romantic dream is nothing like reality. It is uncomfortable, unsafe and unreliable.
4. We guarantee non-vintage, fully insured and legal A/C vehicles for long transfers. Cuba lacks newer cars, do not expect brand new top quality cars.
